Cause and effect

Register  
Note-taking  
Questioning and expressing  
opinions  
Building rapport  
Reasoning  
Identifying assumptions  
Co-operation and trust  
Checking understanding

4

How can we teach them?

5

By integrating them into our classroom practice. (Spoiler - we already do this).

5

Making connections

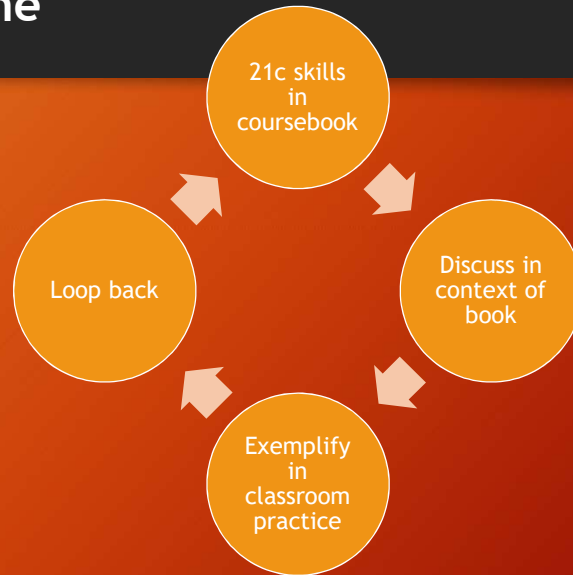

6

6

## Approach One

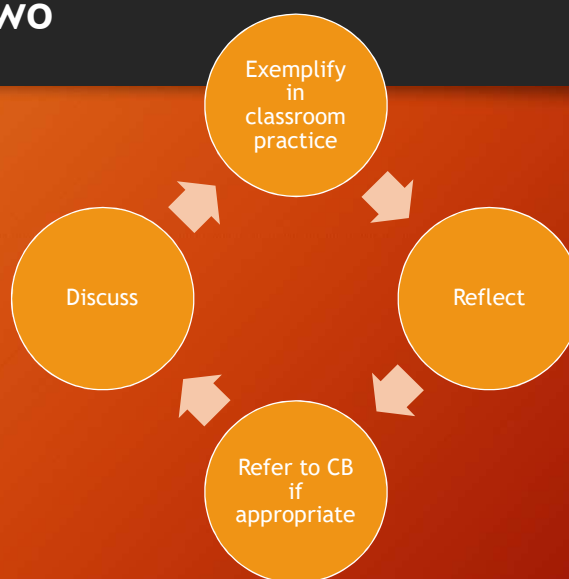

7

7

## Approach Two

8

8

## What interactions go on in your classes?

9

Giving instructions.

Groupwork

Collaborative projects

Pairwork

Presentations

Project work

Online tasks

Reflecting

Discussing grammar together

Peer writing and editing

Peer correction

Listening and comparing

Jigsaw reading
