

# Worksheet 19:

## Directory of Services action plan

How will you start creating your Directory of Services for carers of people with dementia?

Who do you need to involve?

What resources will you need?

When will be the best time for you to do this work?

**Which organisations will you contact/research first?**

**How will you promote the Directory of Services?**

**What format(s) will you use (paper, online, email, etc.)?**
