## Table of contextual safeguarding needs for the school in the wider community

| Element  | Impact on<br>safeguarding<br>students | Issues affecting<br>school when<br>safeguarding<br>students | What, if anything, needs changing? | What, if anything, needs monitoring? |
|--|---------------------------------------|---|------------------------------------|--------------------------------------|
| Neighbourhood<br>safety  |                                       |   |                                    |                                      |
| Parental integration   |                                       |   |                                    |                                      |
| Physical school<br>safety  |                                       |   |                                    |                                      |
| Resources  |                                       |   |                                    |                                      |
| Thresholds   |                                       |   |                                    |                                      |
| Relationships<br>between<br>agencies                             |                                       |   |                                    |                                      |
| International<br>students or<br>where parents<br>reside overseas |                                       |   |                                    |                                      |
